The last known address of the inventor who refuses to sign is:

D. Clark Bennett, Ph.D.  
241 Trumbull Road  
Waterford, CT 06385

The facts and documents set forth in Dr. Vicker's accompanying Declaration clearly establish that the inventor, Dr. Bennett, has refused to sign the Declaration Pursuant to 37 CFR 1.131 for this application even though he has previously assigned the invention to IBEX Technologies Corporation and agreed to cooperate in the prosecution of the application.

All other joint inventors of this application have executed the Declaration Pursuant to 37 CFR 1.131.

This petition is being made as this action is necessary to preserve the rights of IBEX Technologies Corporation.

For that reason, the Vice President of Business Development for IBEX Technologies Corporation, Richard S. Vickers, Ph.D., has signed the Declaration Pursuant to 37 CFR 1.131 on behalf of Dr. Bennett.

Based upon the supporting Declaration and exhibits, it is therefore respectfully requested that this Petition Under 37 C.F.R. § 1.47(a) be granted.
